

Investing for Success

Under this agreement for 2022

Innisfail East State School will receive

\$162 917*

This funding will be used to

- Raise student achievement in Australian Curriculum English A-C data from 56% to 75%
- Raise student achievement in school reading benchmarks from 59% to 75% meeting at level or above.
- Support all students with social emotional and resiliency through a continuation of the 'Resilience Project'.
- Support new Prep students in their transition to school.

Our initiatives include

- Professional learning for staff in pedagogical practices.
- Professional learning for staff in differentiation.
- Professional learning for new staff to support improved reading outcomes using the Australian Curriculum and the school's iRead program.
- Targeted support for students in reading utilising a Guided Reading Approach and Teacher Aide time.
- Targeted support for identified students utilising English intervention programs.
- Targeted support for identified students to improve social, emotional and mental wellbeing.
- Targeted support for Junior Primary in transition into Prep.

Our school will improve student outcomes by

Actions	Cost
Provide Teacher Aide time to support identified students in English Intervention Programs	\$55 125.50
Provide Teacher Aide time to support Guided Reading Programs	\$55 125.50
Purchase class teacher release time for the development of, and implementation of a suite of contextualised, high-yield pedagogical practices.	\$26 306.00
Purchase class teacher release time to determine and implement research-based, high-yield differentiation strategies.	\$26 306.00
